GOVERNOR NAMES NORMAL REGENTS

VACANCIES IN STATE SCHOOL BOARD FILLED BY EXECUTIVE.

FROM HOLT, GENTRY DAVISS COUNTIES

Are W. H. Weightman, Mound City; Charles L. Mosley, Stanberry, and G. N. Gromer, Pattonsburg.

Special to The Democrat-Forum.

Jefferson City, Mo., Feb. 11.—Governor Elliott W. Major last night announced the following appointments to fill vacancies in the board of regents of the State Normal school at Maryville: Charles L. Mosley of Stanberry, George M. Gromer of Pattonsburg and W. H. Weightman of Mound City.

The foregoing telegram received this afternoon by The Democrat-Forum from a special correspondent at Jefferson City and repeated by Senator Anderson Craig of Maryville, comes after an anxious wait in local circles. The new appointees replace W. F. Rankin of Tarkio and W. G. Hine of Savannah, whose terms expired January 1, and J. B. O'Brien of St. Joseph, who resigned following appointment last year. Many friends of Mr. Hine in this city wanted him re-appointed, as he has been very active in behalf of the Normal.

The board members who remain are W. A. Blagg of Maryville, president; Leo M. Phipps of Grant City, True D. Parr of Hamilton and Howard A. Gass, state school superintendent, member ex-officio. All of them are Democrats, while the three new members are Republicans.

President Blagg's term will not expire until January 1, 1917. The other terms extend to January 1, 1919.

Two for 5 Years, 1 for Four.

The new regent appointments were sent by Governor Major to the senate today for confirmation.

Two of the appointees are for terms of six years and one for four years to succeed O'Brien.

Mr. Mosley was instructor in the Normal school at Stanberry for a number of years, is a graduate of the University of Missouri, taught several years in the city schools at Stanberry and also was superintendent of the schools there. He has been active in school affairs his entire life. He was postmaster at Stanberry several years.

All Competent Men.

Mr. Gromer is engaged in the mercantile business at Pattonsburg, most of the time as a lumber dealer. He has been quite active in school affairs and has been a member of the board of directors of the schools there. He is a brother to Samuel Gromer, who was treasurer in Porto Rico under President Taft, and also taught school at Stanberry.

Mr. Weightman is now secretary and a member of the board of education at Mound City, and has been quite active in educational and civic affairs for years. He is considered a thoroughly competent and reliable man. He is engaged in the real estate and insurance business.

Visit Relatives Here.

Mr. and Mrs. J. S. Casteel of Ravenwood visited Mrs. Casteel's sisters, Mrs. Cooper Gooden, Mr. Robert Craven and Mrs. Preston Sifers, yesterday.

Savannah Merchant Acquitted After 2 Hours of Murdering Mrs. Myrtle Fancher.

Special to The Democrat-Forum.
Savannah, Mo., Feb. 11.—Richard B. Coffey, a dry goods merchant, and seven years ago proprietor of a box ball alley in Maryville, was acquitted of the charge of murdering Mrs. Myrtle Fancher here August 12, after a two hours' deliberation. The court audience applauded when the verdict was returned. The trial consumed three days. Few that heard the testimony in the trial expected conviction.

HOLDS PUBLIC CONFERENCE.

Morning Sessions Being Held by School of Methods.

A general conference on the subject of "The Every Member Canvass" conducted by C. A. Lowe, district superintendent, will be held at the First Christian church at 9 o'clock tomorrow morning in connection with the school of methods. The conference will be free to every one to attend.

A similar conference was conducted this morning by Mr. Lowe on the general subject of "Church Visitation." This discussion was preparatory to the visitation trip planned by the church to follow up the work done by the school of methods.

Following the conference of this morning, the instructors and delegates visited the Northwest State Normal and addresses were made at the student assembly by Dr. A. H. Braden of the University of Kansas, and Dr. W. J. Clarke of Cincinnati, teachers in the school of methods. Mr. Braden spoke on the general subject of "Truth," and Mr. Clarke, who is a native of New Zealand, spoke on the history and customs of his people.

Dr. Clarke spoke on New Zealand, his home for years, while Dr. Braden spoke of religious work in general. Dr. Clarke's address relative to conditions in New Zealand, was particularly interesting.

FAIR DATES SET FOR NEXT REVIVAL

NODAWAY EXHIBITION TO BE AUGUST 30, 31, SEPT. 1, 2, 3, 4.

IS AFTER ATTRACTIONS TO RECEIVE CONVERTS

Association Manager Announces Good Drawing Cards Will Be Secured—Chillicothe May Drop Out.

The annual Nodaway county fair will be held in the fair grounds, East First street, August 30 and 31, and September 1, 2, 3 and 4, according to definite announcement this morning by James A. Ford, manager of the Maryville-Nodaway County Fair and Agricultural association. This date was agreed upon at last, after awaiting the announcement of other fair dates in northern Missouri and southern Iowa.

Recently the dates have been subject to change, depending on the time the fairs at Chillicothe and Brookfield, Mo., and Creston, Ia., are to be held. But upon the return this week of L. C. Gann, secretary, from those points, it was decided to set the dates definitely, regardless of the time for holding those fairs.

Chillicothe May Drop Out.

Mr. Gann was informed at Chillicothe that a fair would probably not be held there this year, on account of a financial loss at last year's fair, but that if it later was decided to hold one in Livingston county the dates would not conflict with those of the Nodaway exhibition.

Promoters at Brookfield gave out the information that a Linn county fair would certainly be held, but that the dates are not agreed upon. It will be before the local fair, however. Creston is not certain about a fair, either, it is said.

Manager Ford announced this morning that arrangements now are being made with one of the strongest and most widely known show producers in Chicago, for several thrilling acrobatic and circus stunts for next summer's fair. One of the Cordallas, trapeze performers, consisting of seven of the most expert artists along this line in the middle west, it is claimed.

An Auto Dash the Best.

But the cream of all attractions, if everything goes right, will be a triple loop dash through the air, at the speed rate of 120 miles an hour by steel automobiles, each weighing 1,800 pounds. It is said to be the most thrilling stunt ever concocted for the bewilderment of the public.

Further preliminary plans for the improvement and enlargement of the fair grounds and buildings also are going ahead steadily, according to Manager Ford.

FLUSH CITY STREETS.

Mud and Ice of Days is Removed from Several Uptown Blocks.

The city street department flushed the four blocks of paved streets around the court house square and some of the converging streets this afternoon to remove the snow, ice and mud following the recent snows, rain and freezes. The work resulted in good results in some places, but where the pavement was shaded it was impossible to remove all of the slush and ice. It is the intention of City Engineer F. L. Flynt to continue the cleansing.

REGENTS MEET TOMORROW.

Normal School Directorial Board to Confer at St. Joseph—Routine Business.

The board of regents of the State Normal school will meet at the Hotel Robidoux, St. Joseph, tomorrow, to transact regular business and to take up any special work that might come before the board. This probably will be the final session of the present board, as three new members were appointed last night by Governor Major.

To Give Play.

The S. N. E. society of the Wilcox Methodist church will give a play Saturday night entitled "Blundering Billy." The scene of the sketch is laid at Alameda, Cal., and the characters on which the story is based include Ezra Tuttle, a rich mine owner; Billy Butler, always in trouble; Lieutenant Griswold; Sing Tou, a Chinese servant; Hank Dibble, an old salt; Woy San, a Japanese girl; Dorothy, Tuttle's daughter, and her friend, Clarissa. The fund raised by the entertainment will be for the benefit of the church.

The home department of the Parent-Teachers association will meet Friday afternoon at 2:30 o'clock at the rest room. Important business matters are to be taken up and all members are urged to come.

BAPTISTS APPOINT COMMITTEE TO PLAN ANOTHER CAMPAIGN.

TO RECEIVE CONVERTS

Reception to 300 Additional Members to Be Held February 18—Will Baptize Half Hundred More.

Plans for another religious campaign, to begin January 2, 1916, were begun at a meeting of the board of deacons of the First Baptist church last night and a committee was appointed to arrange for an evangelist and a choir director for it. The committee consists of the pastor, the Rev. Lewis M. Hale, and the board of deacons.

While no talent has so far been definitely secured, the committee will first try to obtain the services of Dr. J. H. Dew, formerly of Liberty. Dr. Dew is considered one of the ablest Baptist evangelists in the country. He is conducting a religious campaign throughout the southern states, and is booked for the entire year.

Has Had 20 Years Work.

Dr. Dew has been in the evangelistic field for the last twenty years and is unusually forcible, as is attested by the large number of conversions which are brought about at every place he holds special services. If the services of Dr. Dew cannot be obtained at the time set, but within a few days of that date, the time for beginning the revival will be changed. Mr. Hale announced. Several other noted Baptist evangelists of the middle west are being considered by the special committee in case Dr. Dew cannot come.

A committee to arrange for the reception to the 300 additional members of the church resulting from the revival just closed also was appointed last night. It consists of K. R. Malotte, G. B. Holmes and Mrs. J. A. Spiers. The reception is to be held in the church Thursday night, February 18. The primary purpose of the reception is to get the new members acquainted with each other and with the older members of the church.

There also will probably be several short talks, music and refreshments. While only 246 have so far been received into the church membership during the revival campaign, it is expected at least a half hundred will join next Sunday, bringing the total to above 300.

DENIES THERE WAS FRICTION

City School Head and Tutor Say Feeling Was Friendly.

Editor Democrat-Forum:
There appeared in The Democrat-Forum of February 10 an article stating that H. B. Polson had resigned his position as teacher of manual training in the Maryville high school largely because of friction between him and Superintendent W. M. Westbrook. Fearing that such an erroneous impression may prevail among the people of this community, we desire to make a statement containing the real truth about the resignation.

In Mr. Polson's incumbency of almost two years there has been absolutely no friction between him and the superintendent. On the contrary the personal relations have always been most pleasant, and we have worked harmoniously together both in the manual training and athletic departments. The resignation is not prompted by any reason whatever but the fact that Mr. Polson has an opportunity to become laboratory assistant in the Kirksville normal during the spring and summer terms, while at the same time he completes the work for his degree in that institution.

The information which came to The Democrat-Forum to the effect that the resignation came as a result of friction is totally without foundation.

Signed, W. M. WESTBROOK,
H. B. POLSON.
February 11, 1915.

While the foregoing, signed by both Superintendent Westbrook and Prof. Polson, denies any friction or lack of harmony in the school work, The Democrat-Forum was informed from several reliable sources that Prof. Polson and Superintendent Westbrook had not been working in harmony recently.

Students in the high school, particularly those having work under Prof. Polson, say that the trouble started when Prof. Westbrook complained of some action Polson took relative to athletic work in the school.

Julius Kaufman of Farnell spent the day in Maryville on business.

MIDDLETON TO SPEAK.

Burlington Junction Man to Make Address at Anniversary Banquet.

The Rev. Thomas C. Middleton, pastor of the Methodist church at Burlington Junction, has been selected by the entertainment committee in charge, to make the principal address at the Washington's birthday anniversary banquet of the St. Joseph chapter of the Sons of the American Revolution, which is to be held at the Hotel Robidoux, on Monday night, February 22. Mr. Middleton's subject will be "The American Revolution and the American Spirit."

The dinner will be served at 7:30 o'clock, and it will be preceded by a reception for the chapter members and their friends. N. Sison and R. C. Benight of this city are members of the reception committee.

Replace Pickering Bridge.

The county bridge which spans the 102 river east of Pickering, on the north road, which was removed a few days ago to let the dredge boat pass beneath, has been replaced, according to County Highway Engineer John Clary. The dredge boat now is nearing Pickering, and the work of clearing a new channel is progressing fairly well now.

HENRY CAMPBELL KILLED BY TRAIN

ARKOE FARMER, 64, STRUCK BY BURLINGTON FREIGHT ENGINE.

BODY IS GROUND TO PIECES BY WHEELS

Was Walking from Barnard to His Home—Locomotive on Short Curve Unheard by Aged Man.

Henry Campbell, an aged farmer, living south of Arkoe, was instantly killed and his body ground to pieces at 3 o'clock yesterday afternoon, when he was struck and run over by the engine of a Burlington freight train, going south from Arkoe.

The accident happened at a point on the track about two miles south of Arkoe, where there is a very short curve. Campbell was not seen by either the engineer or fireman of the train until the engine struck him. His presence on the track is unexplainable by the trainmen.

Body Ground to Pieces.

When Campbell's body was taken from under the tender of the engine it was literally ground to pieces. The limbs were severed from the trunk of the body and the trunk cut in two and crushed beyond recognition. The train was running at the rate of about eighteen miles per hour at the time of the accident. The engineer of the train run the engine to Barnard and returned with Lowell Campbell, an undertaker from Barnard, who took charge of the body.

Was Walking Home.

Mr. Campbell had been in Barnard spending most of the day, and in the afternoon started to walk back to his farm, which is several miles north of there. It is said he had been drinking during the day.

The shortness of the curve made it impossible for the trainmen to see any one on the track until close upon the object, and the supposition is that Campbell did not hear the train coming.

Mr. Campbell was 64 years old, and is survived by a wife and several children. No arrangements have yet been made for the funeral.

"The Vampire" Draws Crowd.

The five-reel motion picture feature of Rudyard Kipling's "The Vampire," which was shown at the Fern theater last night, received much favorable comment from the large audiences at the two shows. The acting of Miss Theda Bara, who played the part of the Vampire, was particularly com-

mendable. The part of the fool was played by Mr. Jose. He, too, was good. Miss Bara was brought from Paris to America especially to play this role.

The rooms were attractive with valentine favors and heart shaped emblems. The luncheon table was centered with a cluster bouquet of yellow roses, and the appointments were carried out in similar shades. The hosts were assisted by Mrs. M. A. ADVANTAGES.

Anker-Hoth Separators.
It is the very best and most up-to-date separator and embodies a new principle that no other separator has. It has an open dirt chamber, which catches all impurities and germs. The discs do not have to be put into the bowl in numerical order, as is the case in all other separator bowls. Consequently it is easy to take apart and put together.

ONE DOSE RELIEVES A COLD—NO QUININE

"Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed Up—Take It Now.

Relief comes instantly. A dose taken every two hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

Market Live Stock.

The following Nodaway county farmers marketed live stock in St. Joseph yesterday: F. Miller, John A. Burch, R. I. Bilby, J. Roberts, August Roberts, J. D. Elliott, Lowrey & Co., W. W. Alexander, E. THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair Gets Soft, Fluffy and Luxuriant at Once—No More Falling Hair.

If you care for heavy hair, that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

"CASCARETS" RELIEVE SICK, SOUR STOMACH

Move Acids, Gases and Clogged-Up Waste From Stomach, Liver, Bowels—Cure Indigestion.

Get a 10-cent box now. That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, means a disordered stomach, which can not be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. GOVERNOR NAMES NORMAL REGENTS

VACANCIES IN STATE SCHOOL
BOARD FILLED BY EXECUTIVE.

FROM HOLT, GENTRY DAVISS COUNTIES

Are W. H. Weightman, Mound City;
Charles L. Mosley, Stanberry, and
G. N. Gromer, Pattonburg.

Special to The Democrat-Forum.

Jefferson City, Mo., Feb. 11.—Governor Elliott W. Major last night announced the following appointments to fill vacancies in the board of regents of the State Normal school at Maryville: Charles L. Mosley of Stanberry, George M. Gromer of Pattonburg and W. H. Weightman of Mound City.

The foregoing telegram received this afternoon by The Democrat-Forum from a special correspondent at Jefferson City and repeated by Senator Anderson Craig of Maryville, comes after an anxious wait in local circles. The new appointees replace W. F. Rankin of Tarkio and W. G. Hine of Savannah, whose terms expired January 1, and J. B. O'Brien of St. Joseph, who resigned following appointment last year. Many friends of Mr. Hine in this city wanted him re-appointed, as he has been very active in behalf of the Normal.

The board members who remain are W. A. Blagg of Maryville, president; Leo M. Phipps of Grant City, True D. Parr of Hamilton and Howard A. Gass, state school superintendent, member ex-officio. All of them are Democrats, while the three new members are Republicans.

President Blagg's term will not expire until January 1, 1917. The other terms extend to January 1, 1919.

Two for 6 Years, 1 for Four.

The new recent appointments were sent by Governor Major to the senate today for confirmation.

Two of the appointees are for terms of six years and one for four years to succeed O'Brien.

Mr. Mosley was instructor in the Normal school at Stanberry for a number of years, is a graduate of the University of Missouri, taught several years in the city schools at Stanberry and also was superintendent of the schools there. He has been active in school affairs his entire life. He was postmaster at Stanberry several years.

All Competent Men.

Mr. Gromer is engaged in the mercantile business at Pattonburg, most of the time as a lumber dealer. He has been quite active in school affairs and has been a member of the board of directors of the schools there. He is a brother to Samuel Gromer, who was treasurer in Porto Rico under President Taft, and also taught school at Stanberry.

Mr. Weightman is now secretary and a member of the board of education at Mound City, and has been quite active in educational and civic affairs for years. He is considered a thoroughly competent and reliable man. He is engaged in the real estate and insurance business.

FAIR DATES SET FOR NEXT REVIVAL

NODAWAY EXHIBITION TO BE AUGUST
30, 31, SEPT. 1, 2, 3, 4.

IS AFTER ATTRACTIONS TO RECEIVE CONVERTS

Association Manager Announces Good
Drawing Cards Will Be Secured—
Chillicothe May Drop Out.

The annual Nodaway county fair will be held in the fair grounds, East First street, August 30 and 31, and September 1, 2, 3 and 4, according to definite announcement this morning by James A. Ford, manager of the Maryville-Nodaway County Fair and Agricultural association. This date was agreed upon at last, after awaiting the announcement of other fair dates in northern Missouri and southern Iowa.

Recently the dates have been subject to change, depending on the time the fairs at Chillicothe and Brookfield, Mo., and Creston, Ia., are to be held. But upon the return this week of L. C. Gann, secretary, from those points, it was decided to set the dates definitely, regardless of the time for holding those fairs.

Chillicothe May Drop Out.

Mr. Gann was informed at Chillicothe that a fair would probably not be held there this year, on account of a financial loss at last year's fair, but that if it later was decided to hold one in Livingston county the dates would not conflict with those of the Nodaway exhibition.

Promoters at Brookfield gave out the information that a Linn county fair would certainly be held, but that the dates are not agreed upon. It will be before the local fair, however. Creston is not certain about a fair, either, it is said.

Manager Ford announced this morning that arrangements now are being made with one of the strongest and most widely known show producers in Chicago, for several thrilling acrobatic and circus stunts for next summer's fair. One of the Cordallas, trapeze performers, consisting of seven of the most expert artists along this line in the middle west, it is claimed.

An Auto Dash the Best.
But the cream of all attractions, if everything goes right, will be a triple loop dash through the air, at the speed rate of 120 miles an hour by steel automobiles, each weighing 1,800 pounds. It is said to be the most thrilling stunt ever concocted for the bewilderment of the public.

Further preliminary plans for the improvement and enlargement of the fair grounds and buildings also are going ahead steadily, according to Manager Ford.

FLUSH CITY STREETS.

Mud and Ice of Days is Removed from
Several Uptown Blocks.

The city street department flushed the four blocks of paved streets around the court house square and some of the converging streets this afternoon to remove the snow, ice and mud following the recent snows, rain and freezes. The work resulted in good results in some places, but where the pavement was shaded it was impossible to remove all of the slush and ice. It is the intention of City Engineer F. L. Flynt to continue the cleansing.

REGENTS MEET TOMORROW.

Normal School Directorial Board to
Confer at St. Joseph—Routine
Business.

The board of regents of the State Normal school will meet at the Hotel Robidoux, St. Joseph, tomorrow, to transact regular business and to take up any special work that might come before the board. This probably will be the final session of the present board, as three new members were appointed last night by Governor Major.

To Give Play.

The S. N. E. society of the Wilcox Methodist church will give a play Saturday night entitled "Blundering Billy." The scene of the sketch is laid at Alameda, Cal., and the characters on which the story is based include Ezra Tuttle, a rich mine owner; Billy Butler, always in trouble; Lieutenant Griswold; Sing Tou, a Chinese servant; Hank Dibble, an old salt; Woyo San, a Japanese girl; Dorothy, Tuttle's daughter, and her friend, Clarissa. The fund raised by the entertainment will be for the benefit of the church.

The home department of the Parent-Teachers association will meet Friday afternoon at 2:30 o'clock at the rest room. Important business matters are to be taken up and all members are urged to come.

BAPTISTS APPOINT COMMITTEE
TO PLAN ANOTHER CAMPAIGN.

TO RECEIVE CONVERTS

Reception to 300 Additional Members
to Be Held February 18—Will Baptize
Half Hundred More.

Plans for another religious campaign, to begin January 2, 1916, were begun at a meeting of the board of deacons of the First Baptist church last night and a committee was appointed to arrange for an evangelist and a choir director for it. The committee consists of the pastor, the Rev. Lewis M. Hale, and the board of deacons.

While no talent has so far been definitely secured, the committee will first try to obtain the services of Dr. J. H. Dew, formerly of Liberty. Dr. Dew is considered one of the ablest Baptist evangelists in the country. He is conducting a religious campaign throughout the southern states, and is booked for the entire year.

Has Had 20 Years Work.

Dr. Dew has been in the evangelistic field for the last twenty years and is unusually forcible, as is attested by the large number of conversions which are brought about at every place he holds special services. If the services of Dr. Dew cannot be obtained at the time set, but within a few days of that date, the time for beginning the revival will be changed, Mr. Hale announced. Several other noted Baptist evangelists of the middle west are being considered by the special committee in case Dr. Dew cannot come.

A committee to arrange for the reception to the 300 additional members of the church resulting from the revival just closed also was appointed last night. It consists of K. R. Malotte, G. B. Holmes and Mrs. J. A. Spiers. The reception is to be held in the church Thursday night, February 18. The primary purpose of the reception is to get the new members acquainted with each other and with the older members of the church.

There also will probably be several short talks, music and refreshments. While only 246 have so far been received into the church membership during the revival campaign, it is expected at least a half hundred will join next Sunday, bringing the total to above 300.

DENIES THERE WAS FRICTION

City School Head and Tutor Say Friction
Was Friendly.

Editor Democrat-Forum:

There appeared in The Democrat-Forum of February 10 an article stating that H. B. Polson had resigned his position as teacher of manual training in the Maryville high school largely because of friction between him and Superintendent W. M. Westbrook. Fearing that such an erroneous impression may prevail among the people of this community, we desire to make a statement containing the real truth about the resignation.

In Mr. Polson's incumbency of almost two years there has been absolutely no friction between him and the superintendent. On the contrary the personal relations have always been most pleasant, and we have worked harmoniously together both in the manual training and athletic departments. The resignation is not prompted by any reason whatever but the fact that Mr. Polson has an opportunity to become laboratory assistant in the Kirksville normal during the spring and summer terms, while at the same time he completes the work for his degree in that institution.

The information which came to The Democrat-Forum to the effect that the resignation came as a result of friction is totally without foundation.

Signed. W. M. WESTBROOK.
H. B. POLSON.

February 11, 1915.

While the foregoing, signed by both Superintendent Westbrook and Prof. Polson denies any friction or lack of harmony in the school work, The Democrat-Forum was informed from several reliable sources that Prof. Polson and Superintendent Westbrook had not been working in harmony recently.

Students in the high school, particularly those having work under Prof. Polson, say that the trouble started when Prof. Westbrook complained of some action Polson took relative to athletic work in the school.

Julius Kaufman of Parnell spent the day in Maryville on business.

Replace Pickering Bridge.

The county bridge which spans the 102 river east of Pickering, on the north road, which was removed a few days ago to let the dredge boat pass beneath, has been replaced, according to County Highway Engineer John Clary. The dredge boat now is nearing Pickering, and the work of clearing a new channel is progressing fairly well now.

HENRY CAMPBELL KILLED BY TRAIN

ARKOE FARMER, 64, STRUCK BY
BURLINGTON FREIGHT ENGINE.

BODY IS GROUND TO PIECES BY WHEELS

Was Walking from Barnard to His
Home—Locomotive on Short Curve
Unheard by Aged Man.

Henry Campbell, an aged farmer, living south of Arkoe, was instantly killed and his body ground to pieces at 3 o'clock yesterday afternoon, when he was struck and run over by the engine of a Burlington freight train, going south from Arkoe.

The accident happened at a point on the track about two miles south of Arkoe, where there is a very short curve. Campbell was not seen by either the engineer or fireman of the train until the engine struck him. His presence on the track is unexplainable by the trainmen.

Body Ground to Pieces.

When Campbell's body was taken from under the tender of the engine it was literally ground to pieces. The limbs were severed from the trunk of the body and the trunk cut in two and crushed beyond recognition. The train was running at the rate of about eighteen miles per hour at the time of the accident. The engineer of the train run the engine to Barnard and returned with Lowell Campbell, an undertaker from Barnard, who took charge of the body.

Was Walking Home.

Mr. Campbell had been in Barnard spending most of the day, and in the afternoon started to walk back to his farm, which is several miles north of there. It is said he had been drinking during the day.

The shortness of the curve made it impossible for the trainmen to see any one on the track until close upon the object, and the supposition is that Campbell did not hear the train coming.

Mr. Campbell was 64 years old, and is survived by a wife and several children. No arrangements have yet been made for the funeral.

USE "TIZ" IF FEET ACHE, BURN, PUFF UP

"Sure! I use 'TIZ' every time for any foot trouble."

You can be happy-footed just like me. Use "TIZ" and never suffer with tender, raw, burning, blistered, swollen, tired, smelly feet. "TIZ" and only "TIZ" takes the pain and soreness out of corns, callouses and bunions.

As soon as you put your feet in a "TIZ" bath, you just feel the happiness soaking in. How good your poor, old feet feel. They want to dance for joy. "TIZ" is grand. "TIZ" instantly draws out all the poisonous exudations which puff up your feet and cause sore, inflamed, aching, sweaty, smelly feet.

Get a 25-cent box of "TIZ" at any drug store or department store. Get instant foot relief. Laugh at foot sufferers who complain. Because your feet are never, never going to bother or make you limp any more.

"The Vampire" Draws Crowd.

The five-reel motion picture feature of Rudyard Kipling's "The Vampire," which was shown at the Fern theater last night, received much favorable comment from the large audiences at the two shows. The acting of Miss Theda Bara, who played the part of the Vampire, was particularly com-

mendable. The part of the fool was played by Mr. Jose. He, too, was good. Miss Bara was brought from Paris to America especially to play this role.

ADVANTAGES.

Anker-Hoth Separators.
It is the very best and most up-to-date separator and embodies a new principle that no other separator has. It has an open dirt chamber, which catches all impurities and germs. The discs do not have to be put into the bowl in numerical order, as is the case in all other separator bowls. Consequently it is easy to take apart and put together.

ONE DOSE RELIEVES

A COLD—NO QUININE

"Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed Up—Take It Now.

Relief comes instantly. A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and snuffing! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

THICK, GLOSSY HAIR

FREE FROM DANDRUFF

Girls! Try It! Hair Gets Soft, Fluffy and Luxuriant at Once—No More Falling Hair.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knewlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knewlton's Danderine. If eventually—why not now?

Home from Des Moines.

Miss Margaret O'Donnell and Miss Hazel Lake returned last night from Des Moines, Ia., where they have been visiting since Saturday, the guests of Mr. and Mrs. G. R. Cornelius.

"CASCARETS" RELIEVE

SICK, SOUR STOMACH

Move Acids, Gases and Clogged-Up Waste From Stomach, Liver, Bowels—Cure Indigestion.

Get a 10-cent box now. That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, dizziness and sick headache, means a disordered stomach, which can not be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.
